My Dream Home project

13th November 2025

Introductions

The Cwm Taf Morgannwg Regional Partnership

We bring together individuals from diverse backgrounds and various groups across Rhondda Cynon Taf, Bridgend and Merthyr Tydfil.

We listen and learn from each other to work as one team.

- We give money to projects that help people stay healthy and independent.
- We like to try new ideas and find better ways to do things
- We share what works well so everyone can get the benefits

My Dream Home

Our regional aim:

“People with a learning disability will be better aware of accommodation options.”

This booklet helps people with learning disabilities.
It also helps their parents and carers.

It gives them information about where they can live.

It helps them feel more confident.

It helps them make good choices.

Our journey

1

Purpose of the booklet

- What was our aim?
- Who is the booklet for?
- Why was it important?

2

Developing the booklet

- Who needs to be involved?
- What do we need to consider?
- What information must we include?

3

Testing in the community

- How do people find it?
- What changes do we need to make?

Our booklet

- Who is the booklet for?

- What changes do we need to make?

changes do we
to make?

**Why was it important for you
to have this booklet?**

**How did we make sure
the right people were
in the group?**

**Why do you think it is
important to make sure
people from different bits of
the process are involved?**

Why was it important that people with lived experience were included from the beginning?

**What was your
experience of moving
house that you wanted to
share with other people?**

**What is the best thing
about where you live?**

**So how did we
develop the booklet
together?**

**What did you enjoy
most about creating
the booklet?**

**When we finished
writing the booklet,
what did we do to
check it was okay?**

**What would you say to
somebody else who
would like to be
involved in a project
like this?**

Mark's story

A man with a shaved head and a light beard, wearing a black military-style jacket with gold braiding and buttons, a purple shirt, and a patterned tie. He is standing outdoors in front of a stone building with a decorative archway.

I'm Mark Richards.
