# **Your voice matters**

**How should the Welsh  
Government spend money?**

**We want to hear from you!**

**Join us online for a focus group**

Every year the Welsh Government choose what to spend money on.

For example:

- ✓ health
- ✓ housing
- ✓ education

This is called a **Draft Budget**.

If you are **14-25 years old** and have a **learning disability**, we want to hear from you.

We are running a focus group online. You only need to join for 1 hour.

We can send the questions **1 week** before the meeting.

Please send an email to Sally Jones if you would like to join the group
