Why we are happy to be involved in Engage to Change.

- Youth is key to further success.
- Poor outcomes for our members within employment.
- Little to no possibilities for employment.
- Employment and Relationships fundamental to well-being.
- Employment increases autonomy, choice, control and dignity.
- People with learning disabilities to play a pioneering role in changing attitudes and perceptions.
- Positive examples helps us to work with the Welsh Government to shape social policy.
- Partners of real integrity - we don't want to replicate
- poor practice from the past.
- People with learning disabilities must take responsibility.

Thanks for listening!
