

Voting Feedback from Questionnaire

I spoke to Members from PPF Groups about voting in this year's General Election

How many
people have
completed
the survey?

▶ 19

I asked
members if
they voted in
the General
Election

YES 11 58%

No 8 42%

I asked
members
how they
voted?

Postal Vote 3 27%

Polling Station 8 73%

Here are some of the reasons why members didn't vote?

Was not sure how to vote and who to vote for

Politics doesn't really interest me

Don't trust politicians they say one thing and do the opposite

I tried postal voting, but it didn't go through

Don't understand how to vote

I asked members how they found the experience of voting?

It was simple, I felt it was well organised.

Overcrowded, there were too many people which made me anxious.

Enjoyed it

I just ticked any box as I didn't know who to choose.

Alright, easy, it was ok

I was worried that I would forget my ID and worried about carrying my ID around in public.

I asked if there is there anything that could make voting more accessible?

Easy Read Information

Accessible information and the form

Postal Vote – hard to understand

Manifestos should be more accessible

Help/support at Polling Stations for people with LD

Polling station Signs being more clear

I asked members
if they were able
to vote
Independently?

YES 10 83%

No 2 17%

I asked
members if they
voted with
Support?

YES 8 67%

No 4 33%

Any Other Comments

My dad came with me, so I understood the rules

The Polling Card could be in a bigger format

Give people with Learning Disabilities more time to vote

I had to ask for help to understand the boxes they weren't in Easy Read

Polling station was difficult.

Polling Card has to be easier when voting at the polling station
