Community Navigators
Bridgend County Borough

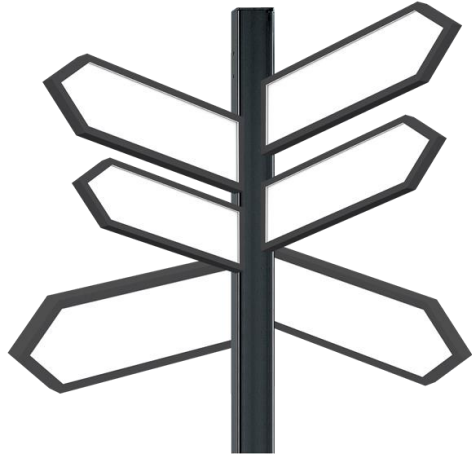

Working together to connect you to information and activities in your community to help improve your health and wellbeing

BAVO

Community Navigation in Bridgend

What is Community Navigation?

Community Navigation helps people with support needs find activities and services in their community.

Community Navigation:

- Keeps people independent
- Stops people's needs getting worse
- Stops people needing statutory services like social services

Who do we support?

Our service is for people living in Bridgend County Borough.

Our service is for people who want to improve their wellbeing and can't find support.

How does our service work?

We take referrals from people and organisations that need our support.

We match people's support needs with community activities.

How does our service work?

We look for gaps in community activities and services.

We use our findings to help the council and charities fill these gaps.

Who runs our service?

Our service is part of BAVO.
(Bridgend Association of
Voluntary Organisations)

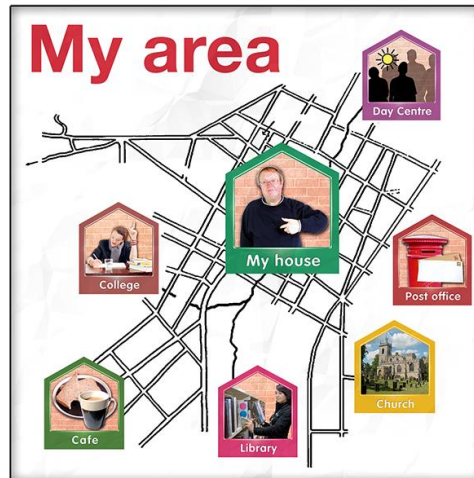

We have 8 staff with backgrounds in housing,
substance misuse, police, health coaching
social care and finance.

What do we aim to achieve?

We aim to stop people becoming lonely and isolated

We aim to help people find support already in their community

What do we aim to achieve?

We aim to help people feel part of their community.

We aim to help people know their own needs and find ways to help themselves.
