

## Skills the Chair of our Board of Trustees should have

Here are the skills we would like our **Chair of Trustees** to have.

Please write or talk about these skills in your application form, or video application. Tell us about things you have done that show you have these skills.

## About you

You must believe in Learning Disability Wales' mission. Our mission is to make Wales the best country for people with a learning disability to live, love, learn and work.

### We want you to be able to:

- Work well others.

- Make time for our organisation when needed.

- Communicate with different types of people.

- Work without judging others. Respect others and be fair.

## Experience

We would like you to have had experience with:

- Chairing meetings

- Representing an organisation at events

- Speaking in public

- Managing people

- Campaigning for change

## Knowledge and Skills

### We need you to:

- Understand the types of things that stop people with a learning disability, autism and their family or carers from taking part.

- Know about social care and learning disability policies in Wales.

- Understand what is going on in Welsh Government.

- Know about charity laws that say how charities should be run and managed.

- Have good leadership skills

- Be able to listen to people and their different views and opinions.

- Understand different groups of people.

- Be able to build good relationships with different groups and organisations.

**We would like it if you could speak in Welsh.**
