What is the conference about?

The conference is about digital technology and how we use it in our lives.

Digital Technology means things that we do or use with computers and the internet.

It includes things like

- Mobile phones
- Social Media
- Online banking
- Artificial intelligence
- Smart devices like Alexa
- Google maps
- Apps

What is happening at the conference?

There will be lots to see and do at the conference.

Hijinx Theatre will be doing an interactive play which you can join in on if you want.

There will be **stalls and exhibitors** for you to visit.

There will be different **presentations workshops** about things to do with digital technology.

You can choose which ones you go to.

Will there be food and drinks?

There will be food and drinks for you there which you do not have to pay for.

There will be tea, coffee and water for you to drink at different times.

There will be food like biscuits to have with your drinks.

We will give you lunch on the day too.

Being there and feeling ok

There will be lots of people at the conference.

You may meet people you already know.

There will be a quiet room if you need somewhere to go which is calm and quiet.

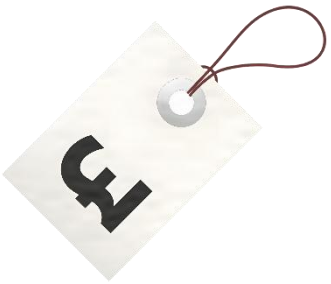

There will be a place you can borrow fidget or sensory toys if you want.

Toilets

There are plenty of toilet at the conference near to where everything is happening.

There will be an accessible toilet there.

How much does it cost?

If you have a learning disability you can get a ticket for a lower price than other people.

Tickets for people with a learning disability are £33.

What if I need support?

If you need someone to come with you on the day to support you they can come for free.

Let us know if you want a free ticket for someone supporting you.

These free tickets are for someone coming with you to support you, and you would not be able to come without their support.
